RESORT

Start a new career in the fastest growing industry in the world! As an educational complex, Lakeside offers college accredited classes in resort management and/or culinary arts. Students may complete their internship at the complex as a part of the accreditation. Limited student housing is available at the Lakeside facility.

CENTER HILL LAKE

Center Hill Lake is a U.S. Army Corps of Engineers' reservoir and is 64 miles long with 18,200 acres of deep, pure water. Because of the temperate climate and relatively long recreation season, visitors can choose from a variety of activities including fishing, hunting, camping, picnicking, boating, waterskiing, canoeing, hiking, and many others.
